

General Driving Itinerary

30 minutes before scheduled experience

- Participants should arrive 30 minutes prior to their scheduled driving time for check-in and complete their Liability Waiver and Participant Information (Medical) Form.

5 minutes - Orientation and Video

- Meet RPDE staff and watch a short video featuring Richard Petty

20 minutes - Driving Instruction

- Learn from your crew chief how to master the track driving line, acceleration / deceleration points, following distance.

25 minutes - Mechanical and Safety Instruction

- Learn the details of the race car including entry and exit, shifting pattern, safety devices and more.

10 minutes - Mandatory Driver's Meeting

- This is the time to go over final details, ask last minute questions and receive the driving order. Participants will have their photo(s) taken next to a RPDE car. Then hear those famous words in Motorsports, "Drivers Start Your Engines!"

1 hour to 4 hours - Driving Experience

- Times vary depending upon driving experience program.
- Participants driving in a program with more than one session will receive feedback from the instructors each time exiting the vehicle. This ensures that each subsequent session shows improvement in driving skill and takes you closer to meeting the top goal speed.

15 minutes - Closing Ceremony

- Participants will receive a Graduation Pack, including a detailed lap-time sheet showing each lap driven and a Graduation Certificate with name, date and estimated top goal speed reached.
